**DATE:** June 30, 2003

**SUBJECT:** Reminder: Survey on the Primary Prevention of Violence Against Women

---

A few weeks ago each WIC Director was asked to complete an online survey on the Primary Prevention of Violence Against Women (Memo 03-061). If you have already completed the survey, we would like to thank you for your time and assistance. If you have not completed the survey, please do so today.

Although the survey is voluntary, WIC has been identified as a key stakeholder in the prevention of violence against women. By completing the survey you can contribute in the development of strategies for making prevention of violence against women a public health priority in Texas.

To take the survey online, go to <http://tigerlily.tdh.state.tx.us/women/vawsurvey/>. If you have trouble completing this survey online, contact Paula Kanter, Clinical Nutrition Specialist, at 512.458.7111, extension 3528, or by e-mail at [paula.kanter@tdh.state.tx.us](mailto:paula.kanter@tdh.state.tx.us) and she will send you a printed copy.
